

Streetlight Out?

Help us keep the streets well lit and safe!
If you see a streetlight not working properly,
let us know.

1. Go to ConsumersEnergy.com/outage and click on **Streetlight Outage** or scan the QR code to the left
2. Locate the streetlight on the map
3. Tell us the issue

Tips to get it fixed quickly:

- Choose the exact light that requires attention
- Provide additional details to help us to find the light
- Come back any time to check the status of the streetlight outage
